Headteacher: Mr David Moore

Newsletter No.63: 8th March 2019

Dear Parents and Friends,

Is it really two weeks gone since half term?! I did say in the last newsletter that hopefully when we came back - spring would be sprung - and although the plants seem to have decided it has the weather has had a different idea which brings me to my first request. Can parents please make sure children bring a weatherproof coat to school with them in the morning? After that lovely warm week, we have quite a few children who seem to have decided it is summer and they no longer need a coat. We still try to get onto the playground in light drizzle at breaks and PE still happens outside on the MUGA but children do need to be properly attired and a spare sweatshirt is not enough. Thanks for helping us make sure the children can access these opportunities with the correct clothing.

Last chance for Bright Stars Posters and Cards

I know lots of you have already seen the wonderful posters and postcards our Bright Stars team have produced and I know sales have gone really well. If anyone else would like to grab themselves a high quality bargain then Monday morning is the last chance before we have to hand our accounts in for judging. Posters and cards will be available at the Gather this weekend and first thing Monday morning (whilst stocks last) in school. Our team under the direction of Sarah have worked really hard again this year and created another very successful business.

U-Dance

Monday is also U-Dance day when we perform our dance in front of a crowd at the Carnegie in Workington. Hopefully, you all have your tickets and are looking forward to watching the children show off all the hard work they have been putting into their dance. This has

been a completely different experience for the children. The change from their first steps to what they are doing now is amazing, you're in for a treat!

Meet the Governors

Thank you to everyone that turned up to our "Meet the Governors", session. We potentially have space for three new governors on the Governing Body and the closing date for nominations is March 15th. If anyone has lost the original form we sent out please drop into school for a spare copy. We have had lots of interest and are very hopeful of having some excellent additions to the board who have such a vital role to play in the running of the school.

Water Promises

Before half term we had a visit from United Utilities to run a Water Workshop. The children all made promises about how they intended to save water. They have been ticking off their progress daily to show how they have been helping. We will have a follow up visit in a couple of weeks to see how we have been doing so keep those promises going!

Jigsaw Appeal

Look out for more information about this shortly.

A couple of reminders

As Class 2 will be at the Carnegie on Monday, Class 1 will have chance to use our sports coaches for an extra PE session. Therefore can you please ensure the infants have their PE kits on Monday. Also we have Red Noses for sale priced at £1.25 ready for Red Nose Day next Friday.

That's all for now have a great weekend and we will see you all on Monday.

Best wishes

D Moore
