

**Chilworth Church of England Infant School**  
**Newsletter No. 10**

Dear Parents,

8<sup>th</sup> March 2019

**E Safety**

Here at Chilworth School we believe that the use of information technology (ICT) and the internet in schools enhances children's learning and forms an integral part of modern life. Recognising online safety issues will help to ensure appropriate, effective and safe use of electronic communications. At Chilworth we understand the responsibility to educate our pupils on e-safety issues; teaching them the appropriate behaviours and critical thinking skills to enable them to remain both safe and legal when using the internet. We hope to ensure that every child is able to fully "embrace the future with hope and confidence" through safe and appropriate use of technology.

There are some unpleasant pop ups which some of the children are aware of. If you are at all concerned the NSPCC provide excellent advice for parents for keeping children safe on line.
