SCHOOL

WORLD BOOK DAY

Thank you to everyone who came into school wearing their pyjamas for a donation this World Book Day! We had a fantastic time reading with buddies and sharing our very own books! We also enjoyed an assembly lead by Amy Banks from Usbourne books. Children all brought home a sponsor sheet to encourage reading & raise money for our next class reader books.

PANCAKE PARTY

What a fantastic turn out for the pancake party on Tuesday. The children thoroughly enjoyed making and flipping their pancakes. Thank you to everyone who came.

SCIENCE WEEK

In order to celebrate Science week next week, the children will be carrying out 'wow' experiments. Please could all children in years 1-6 bring in a small, clear bottle with a lid in by Monday 11th March. We look forward to sharing our experiments with you!

KS1 SATS MEETING

Thank you to everyone who came to our KS1 SATS information evening. See Squirrels page on the website for the presentation shown on the night.

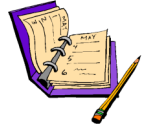

FREDDIES WISH FIRST AID TRAINING

There are still spaces on Freddie's Wish First Aid training on Thursday 14th March. To book a place please pop into the school office.

RED NOSE DAY

To support Red Nose Day children are invited to wear something red alongside their usual school uniform on Friday 15th March (suggestions are red socks, red hair band/bow or red jumper/cardigan. We are asking for a donation of £1. Children will also take part in a Red Nose Day dance in the afternoon.

CLASS NEWS

ACORNS

We loved coming to school in our pyjamas for World Book Day and sharing our favourite bedtime stories with each other. The hot chocolate was yummy too!

WOODPECKERS

This week in Woodpeckers we have been exploring plants and how they grow. We went on a walk around school grounds identifying a range of plants at different stages of growth. Woodpeckers have planted their own bean seeds and are excited to watch them grow!

SQUIRRELS

Squirrels celebrated World Book Day by focusing on Rob Biddulph, author and illustrator of *Blown Away*, *GRRRR* and *Odd Dog Out*. The children created their own endings for 'Blown Away,' illustrating the pictures and retelling and sharing their story with their peers.

OWLS

Owls have learnt how to divide a one digit and two digit number by 10. We have also started our Science topic looking at solids, liquids & gases.

OAKS

This week, Oaks have been producing books for World Book Day, when we read them with buddies from younger year groups. We have also been learning to calculate percentage difference (so we will be really handy during the Christmas Sales!)
