Dear Parents and carers,

Welcome to this week's newsletter.

The children have had a very creative time during our 'Carnival Week'. They have been busy making: carnival outfits, head dresses, masks and making carnival music. Some of the outfits designed are very interesting!!

Fir Tree class led the worship on Wednesday, explaining the school's vision in a very catchy and engaging way. They will be repeating this worship on Wednesday at 2.45p.m. as many parents were unable to attend due to the late notice. I apologise for this.

Forge class will lead worship on Thursday at the usual time of 9.10a.m. they will be sharing another part of our school's vision. Do come along and join us to find out more about what living life in all its fullness means.

Well done to the cross country team who ran their 3rd race out of the 4 in the inter-school league. Our children were incredible; with our boys being placed 2nd, 3rd, and 4th! I think everyone would agree: amazing results! Well done particularly to Lucas Cameron, Oscar Colyer and Sean Maple for coming 2nd, 3rd and 4th respectively. Mr Peters was particularly impressed with Oscar who showed true sportsmanship in his race! Well done!

Well done to the rest of the team who supported them and also ran to the best of their ability. Well done to Abbie, who ended up sacrificing her race to ensure Sean managed to get to his! A fantastic achievement from all the team.

We thank you for the donations for the children's tombola for May Day. There is such a wide variety of tombola prizes, they have literally filled the school office.

May I take this opportunity to remind you that whilst the teachers are very happy to talk to you about your child at the end of the school day, could you please wait until all the children from the class have been safely dismissed to the adult collecting them, before approaching the teacher. I'm sure you will all understand the importance of us taking this time to ensure your child is safely dismissed.

If your child is unable to attend a club please could you ensure that the school office or their teacher is notified, as we cannot rely on the children telling us during the school day that they will not be coming. If we haven't been notified and your child is on our club register then they will be taken to their club until an adult collects them. I'm certain you will support us in these steps to ensuring the safety of your child.

We have had some difficulties with our website and app due to the host site having issues with their server. Hopefully these issues are now resolved!

Finally, Fir Tree have just returned from their trip to Kent Life; very excited but muddy and tired, with lots of knowledge about farm animals!

I hope you all have a lovely weekend.

Best Wishes

*Michelle Cox*
