COMPASSION COMMUNITY COURAGE CURIOSITY

As you will be aware, Mrs Westerwijk has unfortunately been unwell recently. She has had to spend a period of time in hospital and underwent an operation earlier this week but the good news is that she is recovering and hopes to be back at school very soon. In the meantime, she has asked me to let you all know that she really misses everyone and is making her body really strong again for her return.

Whilst Mrs Westerwijk is away her duties will be covered by Mrs Sinclair and myself working additional hours in order to provide stability and consistency for the school. This should only be for a short while and I am sure you will all join me in wishing Mrs Westerwijk well for a speedy recovery.

Regards
Mr Williams

World Book Day

Wow! What a successful World Book Day, with a range of wonderful characters brought to life through fabulous costumes. The children thoroughly enjoyed the day and taking part in activities, including listening to a story read by a member of staff. Remember the deadline for returning reading sponsorship forms and money, is Friday 15th March. If you need some more information, please see Mrs Speed or Mrs Rose.

Pancakes and Punctuation

On Tuesday Year 2 children enjoyed following their own written instructions to make pancakes as they celebrated Shrove Tuesday. Reception children also enjoyed reading and following simple instructions to help make pancakes as a part of their afternoon curriculum. Children took part in Shrove Tuesday worship time in the afternoon to explore Lent and how it leads us up to Easter. Thank you to Mrs Rose and Mrs Chapman for their super flipping skills.

We The Curious

KS1 and Reception had a brilliant visit to We The Curious on Thursday. There were so many things to be curious about that we didn't stop thinking. A big thank you to the adults who made the trip possible.
