ICT

Programming

Programme an interactive story and game using 'Purple Mash' and Scratch Junior

Art

Portraits

Artist Study: Picasso

R.E

Easter Symbols

What reminds us of Easter?

Why is Easter important to Christians?

Homework:

This half term, Year 2 will be focusing on practising for their SATs and therefore study booklets will be sent home. We do not expect the children to complete projects as well but if they wish to continue their topic learning at home, here are some project ideas.

- Use the internet and the library to research about different events in history
- Complete a book review on your favourite book to share in class
- Draw portraits of family members in the style of Picasso
- Draw an Easter picture or create a collage including the symbols we associate with Easter and springtime

Please bring your fantastic projects into class by **Monday 8th April** to share with the class.

Thank you for your support

Mrs. C. Platt

P.E/Dance

Dances from around the World

Invasion games
