

## ***FRIDAY FUN IN FOUNDATION STAGE!***

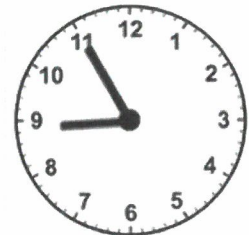

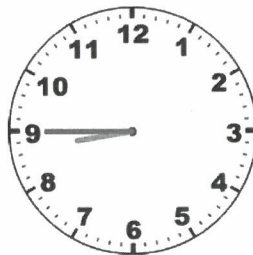

*We appreciate parents like to spend time with their children each morning. We open our doors early for 10 minutes each day (from 8.45am) but always want to get on with learning at 8.55am.*

### ***Fridays will be a special day!***

*Every Friday (starting this week) parents will be encouraged to come as normal for 8.45am but to take the chance to stay a little longer - until 9.05am.*

*You will be able to use the time to read with your child, to change their books or complete an activity put out by staff.*

***MONDAY TO
