Dear Parents,

We have been asked to complete a transfer form for the children to send up all of the necessary information which Driffield Secondary School require for building form and tutor groups, as we do every year. The information required includes academic, musical and sporting ability, SEN needs, friendship groups and medical information. Unfortunately, due to recent changes to data protection guidelines, we can only send up information for children who have been allocated a place there for Year 7 in September. If you have been allocated a place at another school, please indicate below so that we know which schools to keep an eye out for.

Please can you complete the form below and return it to me **before** the end of this week (March 8th).

Kind regards,

Mrs Bray & Mr Saltonstall

(Please tick or cross and complete as appropriate)

My child has been allocated a place at Driffield Secondary School and he/she intends to attend in September.

My child has been allocated a place at another school for Y7 which he/she intends to attend in September.

(please state where) _____ *(so please do not send my child's details to Driffield School)*
