Blue Class 'Bee' Afternoon

8th March 2019

Dear Parents/Carers,

As part of our 'Flowers and Insects' topic we have organised a visit to a secret garden, with real bees and bee hives, at St Leonard's Church on Wednesday 20th March! The children will be able to take part in an exciting Bee afternoon as part of their learning for our topic. The children will be guided by Chrissie, a beekeeper. They will take part in a range of fun and practical activities and they will learn how to keep safe in the outdoors. It will be a great opportunity to explore a local outdoor environment and immerse ourselves in outdoor learning.

This will be a half day outing for which the children will need a packed lunch. We will be leaving at 12.15pm and the children must bring a water bottle (this should be in school every day). The children will need to wear old clothes with their school sweatshirt and can wear wellies or old trainers. A waterproof jacket or coat may be needed on the day. We will have our packed lunch at school before we leave.

We are asking for a voluntary contribution of £1, to support the work of the Secret Garden. Please be aware that we will be unable to go ahead with the outing without these contributions. We will also need helpers on the day, as we will be walking to St Leonard's Church. If you are able to help please indicate on the slip below. We will draw names out of a hat if there is a surplus of volunteers.

Kind regards,

Mrs Mannion

Please return the below slip to the school office with your £1 contribution by Monday
11th March 2019
