11th March 2019

Dear Parents/carers,

Your child's class will be receiving a visit from Zoolab on **Monday 18th March 2019.**

We would kindly ask for a donation of **£1.50** or a contribution towards the cost of this visit.

The visit will entail the showing and handling of live animals and the children will have the opportunity to handle the animals if they wish. There will be a range of animals depending on the topic chosen for each class.

Although we strongly encourage all of the children to join in with the activities, we would not force any child to handle an animal if they do not wish to.

Zoolab take Health and Safety very seriously and you can rest assured that all of the animals handled by your children are totally safe and unable to cause any harm. They also operate a strict hand washing policy that we enforce at the end of each session.

We are sure that your child will enjoy this experience and hope that it will stimulate an interest in animals and related environmental subjects.

Yours sincerely,

Mrs Gardner
Senior Administrator

I give consent that _____ in class _____ can participate in the Zoolab visit on Monday 18th March 2019.

I enclose a £1.50 contribution

I contribute to school fund and will continue to do so
