Tuesday, 12 March 2019

Dear Parent/Carers,

### **Proposed Lakeside Nursery**

We are delighted to now be looking at opening a nursery within our existing school building from January 2020.

From research already carried out, we believe that our nursery would be well received but we understand the importance of consulting with the school community as a whole to ensure we are providing what is needed and wanted. We propose to offer provision to include children who qualify for the universal 15 hour provision, as well as those who can access 30 hours of nursery funding.

Initially, we would like to focus on these pupils but would like to be in a position to potentially open up the provision to two year olds in the future. As a result of this, we propose to change the admission age to include children from the age of 2 years old, although the initial intake would be for **3 and 4 year olds only**.

A consultation period will run for 4 school weeks, commencing on 11<sup>th</sup> March 2019 and ending on 8<sup>th</sup> April 2019 where we would welcome views from parents.

If you have a child aged 4 or under, we would very much appreciate you taking the time to complete our questionnaire via the link available on our website-<http://www.lakeside.staffs.sch.uk/parents/questionnaire> or alternatively, a paper version can be collected from the school office from 12<sup>th</sup> March 2019,

If you do not have a child aged 4 or under but would like to make a comment or be kept informed, please email [office@lakeside.staffs.sch.uk](mailto:office@lakeside.staffs.sch.uk)

Yours sincerely,

Mr N. Probert  
(Headteacher)
