

11 March 2019

Dear Parents

On Monday 25th March, in the morning, I will be taking year 3 out for a walk from school to the Edge, weather permitting! This will follow up work on our Science topic Rocks and Soils and mapping skills we have been doing in class.

The children will need to come in their own sensible walking trousers wearing school uniform on the top, shoes/and or wellies and have a waterproof coat with them as we will go whatever the weather - within reason! They will need their usual drinks and mid-morning snacks in a small rucksack to carry themselves. No glass bottles or cans.

If you would like to join us on the walk, please indicate on the slip below.

Emergency telephone numbers will be taken from school records, please ensure these are up to date.

We do have your permission slip in school to take children out for walks in the near vicinity during the school day, but as we are going a little further and are asking for children to wear footwear and trousers appropriate for the walk, please return the additional slip below.

Thank you for your continued support.

Yours sincerely

Helen Hill
