

5H Manford Satellite newsletter

Since coming back to school we have been very busy learning lots of new topics including Romans with Year 3 and Egyptians with Year 5. We celebrated our Egyptian topic by dressing up for Egyptian day. We learnt how to build a pyramid and we made each other into mummies.

In year 3 we have been learning about the romans and tried to make our own roman pot using clay. We made our base and then made the sides with coils.

We all enjoyed celebrating world book day and dressing up as our favourite book characters.

We read lots of books and swapped books with our friends in school so we could read new books.

We have enjoyed having our friends from Hatton to visit on a Thursday and have been learning new games to play with them and this has helped all our social and communication skills.

We have become regular customers at a café in Barkingside which we visit by bus. The children have been working hard to use the green cross code to practice road safety and becoming more independent using the local bus transport. We have used money to pay for the items in the café and ordered our food well.
