

## CHARGING POLICY

### 1 **Introduction**

All education during school hours is free. We do not charge for any activity undertaken as part of the National Curriculum.

### 2 **Voluntary Contributions**

When organising school trips or visits which enrich the curriculum and educational experience of the children, the school invites parents to contribute to the cost of the trip. All contributions are voluntary. If we do not receive sufficient voluntary contributions, we may cancel a trip. If a trip goes ahead, it may include children whose parents have not paid any contribution. We do not treat these children differently from any others. (School will endeavour to assist families in receipt of pupil premium if necessary)

If a parent wishes their child to take part in a school trip or event, but is unwilling or unable to make a voluntary contribution, we do allow the child to participate fully in the trip or activity. Sometimes the school pays additional costs in order to support the visit. Parents have a right to know how each trip is funded. The school provides this information on request.

The following is a list of additional activities organized by the school, which require voluntary contributions from parents. These activities are known as 'optional extras'. This list is not exhaustive:

- visits to museums;
- sporting activities which require transport expenses;
- outdoor adventure activities;
- visits to the theatre;
- school trips abroad;
- musical events.

### 3 **Residential Visits**

If the school organises a residential visit in school time or mainly school time, which is to provide education directly related to the National Curriculum, we do not make any charge for the education or travel expenses. However, we do make a charge to cover the costs of board and lodging. (School will endeavour to assist families in receipt of pupil premium if necessary)

### 4 **Music Tuition**

All children study music as part of the normal school curriculum. We do not charge for this.

### 5 **Swimming**

The school organises swimming lessons for all children in Key Stage 2. These take place in school time and are part of the National Curriculum. We make no charge for this activity. We inform parents when these lessons are to take place, and we ask parents for their written permission for their child to take part in swimming lessons.

### 6 **Sports**

The school offers additional football coaching and other classes after school. Sometimes there is a small charge for these sessions if they are carried out by an external provider.
