Issues or concerns to be raised

- Breaktime – what do you do? Basketball, chat to friends and Astro.
- Facilities – Any issues? No issues where raised.
- Homework – how is it? Any problems? any help or support needed? Homework levels are set correctly, challenging but achievable, they get a fair amount, 1 project due per week.
- Transition – since you started to now. How has it been? Any major issues we can help with? Everyone is friendly, been no problems and all are happy in year 7. Looking forward to year 8.
- Assemblies – are they ok? do you understand your role in these? Assemblies are where they get notices of what is going on and can see what is going on in the week. They are a good thing for them.
- Clubs – are you involved? Can we help get you into any specific ones? All liked clubs, basketball, swimming, girl's fitness, lots of clubs, really handy. Enjoy them, made friends through them as they meet 7 year pupils they might not have been speaking to (team work). There was a suggestion that there are more tournaments. In swimming they would like to see races and timed activities during the club. Free swim is really enjoyable though.
- School involvement – do any of you have a desire to be more involved in the school and school life? Yes, definitely, would like opportunity to be prefects, sports captains and more. They like being what they are in the school now and like not having responsibility but know that this will change and will embrace it when it comes.
- Trips – do you know what ones you are going on? Can we help? Athletics, Harry Potter Studios (library work), Mayflower Theatre and there will be one to London to visit a Hindu temple.
- Safety – any concerns. All good and happy.
- Bullying – ideas to promote anti bullying. Any one any issues? You can always talk to us in confidence, we are here to help you. no issues, very happy. IF there has been an incident it has always been addressed by a teacher. Very happy.
- Learning – any issues? Are you finding lessons hard? Easy? Need any help? Find learning interesting, find lessons fun.
- Suggestions made during 11<sup>th</sup> March 19 meeting.
  - Healthy food – more of it.
  - Year 7 want better basketball hoops perhaps? (key stage 4 get access to top playground).
