Animal Man Visit - Reception

Dear Parents and Carers,

As a Spring treat we have arranged for Reception children to have a visit from the wonderful animal rangers on Monday 1st April 2019. They will be visiting the children in class during school hours and showing them a variety of different animals, many of which the children will have the marvellous opportunity of touching and holding if they wish.

This is a great educational experience which will fit in nicely with the children's learning and introducing science in a way that younger children can understand.

We would like to ask for £3.80 per child to be paid in cash towards this opportunity. Please hand in the form below with the payment in a named envelope to your child's teacher or the school office no later than Monday 18th March 2019. If your child has any animal allergies please can you notify your class teacher before the visit.

As this is a small amount, please do not pay through parentpay.

Yours sincerely,

The Reception Team
