Our trip to Warwick Castle

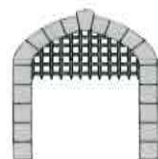

First we went to school and sat at our

chairs. We had a yellow bands. After that

We all went to the toilet. Next we chose a

Partner and light up. Then we all went

onto the coach I sat by Max. When we got

there we walked through the gate house and

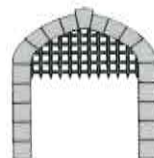

Worked around the courtyard. After that we met

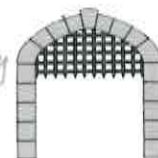

Ben. Ben took us to a room we needed

to be knights and kings. Then we walked to a

nether room and he showed us about King Henry

After that we walked into the cafe and

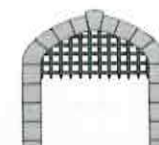

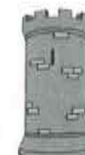

had lunch. After that we split up and

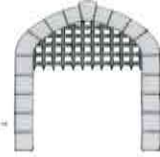

Just at parts of the castle then we met

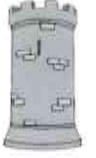

each other and then we met Mighel.

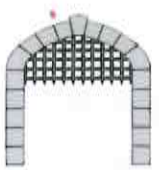

He showed us how to invade a castle

it was fun doing it. Then we went back

into the coach and went back to

school on the way back from

the castle Thomas fell asleep.

Lovely recount Max. Very detailed.
