GCSE RESULTS 2018- 2019

IMPORTANT INFORMATION FOR CANDIDATES

"You have your results so, what now?"

GETTING ADVICE

- If you need to discuss your subject result, speak to your subject teacher.
- If you need to discuss your subjects for going into Sixth Form, talk to Prospects (Careers Advice), Head of Year, Mrs Edwards-Beighton or Assistant Headteacher, Mrs Juszkiwicz.

REVIEW OF MARKING (ROMs)

As soon as your results are published a short period of time starts. In this short 'window' of time, you *can* apply to an awarding body to make an enquiry about a particular result, but before you can do this you must: read the information below regarding **services available**, the **fees charged** for each service (note: each awarding body charges differently) and **the deadlines** by which you *must* process your enquiry (deadlines are set by the awarding bodies collectively, so the dates stated apply to all awarding bodies). The following services are available to all candidates taking GCSE. These must be submitted by the School to the relevant exam board. Application forms are available from the Exams Officer and must be approved by the Head of Centre. **All applications must be with the Exams Officer by close of school on 2nd September 2019.** The fee for any of the services must be paid on submission of the appeals form. **All cheques should be made payable to South Charnwood High School.**

PLEASE NOTE:

Marks and Subject Grades may be **CONFIRMED, LOWERED OR RAISED** following an enquiry in line with the Qualifications and Curriculum Authority's Rules regarding Examination Enquiries and Appeals.
