**Saltmill Park Holiday Sports Club Anti-Bullying Policy.**

Our aim is for all children to enjoy their time whilst at Saltmill Park. Therefore we will not tolerate disruptive behaviour or bullying and expect children to respect one another, each other's possessions as well as the equipment. Failure to do so will result in a progression of timeouts, incident forms, meetings with parents/guardians, time away and an eventual ban from all Holiday Sports Clubs.

We will operate a telling policy which means that even if the bullying target is too afraid to tell a member of staff, all the bystanders know that it's their duty to do so and that they won't be accused of telling tales. It's a deterrent because the bully knows that he or she won't get away with it. We believe this is a good idea as bystanders are often a key to resolving bullying. This policy will be publicised regularly so that our young people are not made to feel like they are telling tales.

Please be aware, as with all activities, there is an element of risk to the activities that take place. Please speak to a staff member if you have any concerns. In the event of an emergency every effort will be made to contact you. Should this not be possible then by signing this form you are giving consent for a member of staff to authorise any emergency treatment deemed necessary by medical experts.
