Head Teacher - Mr. E.P. Jackson

Wednesday 13th March 2019

Dear Parent/Carer,

To further celebrate World Book Day and the parent story event today, we are going to introduce book rewards to our youngest children (Nursery and Reception). I have been delighted to see some exceptional homework tasks this year so far where parents have really supported their children. While we know that this is a no-brainer for parents, we really want to celebrate these positive early experiences of learning and reading. At the end of this term, we will be inviting parents in to choose a book (brand new) that they would like to have for home. In order to receive this, we really want you to show off your parent/child homework skills. We would love to present every child with a book!

If you would like further details, please do not hesitate to contact Miss. Rooke.

Many thanks for your continued support.

Mr. E.P. Jackson
