Headteacher's Weekly Message

Dear Parents & Carers,

Well done to our Y6 children who took part in the Football tournament. Although they didn't win they demonstrated some excellent teamwork and resilience which will all help them grow those character muscles. Coping with disappointment is also another really important life skill. Some of our y3 and Y4 children took part in a handball competition at Forge Valley. Well done to them for representing their school so well.

The Y1 teachers gave a short presentation along with some resources for parents all about the phonics screening in June. If any parents were unable to come but would like the information and hand-outs please see Miss Riggall or Miss Smith who will be pleased to help you.

We have assessment week next week. We do this on a six weekly cycle. It gives the teachers an opportunity to see how well the children are doing, their progress so far this year and the areas that we need to work harder on. This is really useful timing just before the parents' evenings at the end of the half term. I hope that teachers will be able to give a really thorough summary of how your child is doing at this half way point in the year.

The weather has turned particularly cold over the last week. Please remember that we will always try to open the school in bad weather wherever possible. Provided staff can get into school we will provide as normal service as possible. If we ever do need to close we contact the Council to post it on their website and twitter feed. We also post it on our website and text out to parents, so please make sure we have your correct contact details.

Have a lovely weekend and stay warm
