After School Clubs– Summer 2019

We are delighted to share with you our selection of After School Clubs for Spring Term. Due to a high demand for places clubs will be offered on a first come first served basis and will be available to book on line at www.scopay.com from Monday 18th March at 12 midday. There are a limited number of places for pupils in receipt of Pupil Premium each term, and parents/carers wishing to apply for one of those places should contact Mrs Currie or the school office. Children in receipt of Pupil Premium will qualify for one free club each academic year.

Club Information

Each club will run for 9/10 sessions. If a club needs to be cancelled due to unforeseeable circumstances or the weather we will do our best to add a session on at the end of the term, however this may not always be possible. In the event of sickness providers reserve the right to use a suitable alternative coach/adult to run the session.

Please ensure that children are equipped with appropriate clothing to enable them to change quickly and easily.

Children will change in the hall/classroom where the activity will take place so that they are supervised by an adult at all times.

Please provide your child with a healthy fruit or vegetable snack for them to eat before the session starts. No sweets, chocolates, crisps or fizzy drinks. No foods containing nuts.

Please note: Marlborough school reserve the right to cancel a club due to lack of interest resulting in a financial loss to the school.
