

# Rushall Primary School

*Where every child sky rockets!*

## March Newsletter 2019!

### Enrichment Homework

An enormous thank you to all of our parents, carers and family members who have helped the children with their climate change homework. We have been inundated with work of a very high standard and are so impressed with the effort and thought gone into each piece. I know that the children are very keen to help us become a plastic free school and it is great to see such enthusiasm for this very important issue.

### World Book Day

Thank you also to parents and carers for supporting us with World Book Day. The costumes were fantastic and the children came in full of enthusiasm to tell us all about their favourite books and authors. Please see our blogs for more information about how we celebrated World Book Day in school.

## Easter Competitions!

As usual we are asking all children in Nursery, Reception, Year 1 and 2 to make an Easter bonnet to be entered into our competition and to wear at school during Easter assembly. For children in Years 3,4,5 and 6, we are asking them to decorate an egg for our *eggceptional* Easter egg competition. Entries are also welcomed from parents! Please bring bonnets and eggs in on Monday 8<sup>th</sup> April, thank you!

### 'Friends of Rushall'

For many years our partner school, Oakwood has benefitted from the support of a very successful parent support association to help with fundraising and special events. We would love to set up a similar group here to help organise events such as our involvement in Pelsall carnival, school disco's, our Winter Fayre and Sports Days. If you have some time on your hands and would like to be involved, please let us know and we can organise a meeting to get started. Any amount of involvement would be greatly appreciated, thank you!!

## Sports Days

Please see the dates below for our sports mornings. Family members are very welcome to come and watch, events start from 9.00am each morning. A letter will follow shortly containing further information. Please ensure that children have their PE kit in school every day so that they are able to practise. Children who prefer to run outside in trainers rather than pumps are welcome to bring these in. (Please ensure that they are named!)

### The Daily Mile!

We are very excited, along with many other schools to be starting to participate in the daily mile. We will be encouraging children to run around the playground during lunch times and to keep a tally of their laps as they go. When we trialled this recently the children were very keen and happy to give it a go. They can do as much as they would like to, the emphasis being on fun and enjoyment.

### School Jumpers and Cardigans

Please, with the warmer weather approaching can we remind you that all school clothing and footwear needs to be clearly named, especially jumpers and cardigans. Children are encouraged to put their jumpers in their lockers or on their pegs if they take them off but inevitably mix ups can occur. If you have used biro to name items, please renew it regularly, thank you.

**Best Wishes,  
Mrs K Bargh, Mrs L O'Brien and  
Mrs H Jones**
