Online Safety

Please spare some time to take a look at <https://parentzone.org.uk/> - a website dedicated to providing information and support on the vast topic of online safety. Here you will find useful parent guides about apps and gaming sites, as well as advice and tips on areas such as setting parental controls.

Choir

Due to staff training taking place after school on **Wednesday 1st May**, Choir will not be taking place on this day. Apologies for any inconvenience this may cause. School will be open as usual on this day.

Signing in and out

For health and safety reasons visitors to school will now be required to sign in and out of school, including attendance at events such as celebration worship and parent workshops; for your convenience a paper signing in and out sheet will be available. If you are visiting school for a meeting, please sign in and out on the computer in the foyer.
