

With faith, we care, share and learn together.

Our School Vision:

- As a Church of England School, Bradwell C E Infant School is dedicated to maintaining its Christian Ethos in a caring family atmosphere.
- We believe it is essential to foster a spiritual, tolerant and moral view of life in all our children.
- We aim to provide a supportive learning environment, based on clear spiritual principles, which permeate all aspects of life.
- We value the safety, happiness, security, well-being and education of our children.
- We aim to provide a high quality of education, within a safe environment, founded on Christian principles.
- We aim to give every child the opportunity to maximise their potential, not only in academic work, but also in creative, practical, sporting and social activities, so as to prepare them to understand and live a healthy and productive lifestyle.
- We promote the traditional values of hard work, tolerance, courtesy and good behaviour. We encourage consideration for others and an expectation that respect will be shown at all times.
- We aim to develop the knowledge, understanding and skills necessary to become an active responsible citizen.
- We aim to foster a spirit of trust and co-operation, learning to appreciate that every member of our school community has a right and responsibility to make equal contributions.
- We value the close partnership between home and school, encouraging the active support given by parents to the children's work and the life of the school.
- We aim to foster the self-confidence of children so they move confidently on to the next phase of education.
- We welcome opportunities to prepare our children for life in an intercultural and multi-faith community.
