Mrs Truslove writes:

Well done to everyone wearing their pants for Comic Relief – the strange things we do for charity.....

Tempest photographers will be in school taking individual and family photos on Monday. Anyone who would like their siblings, who are not at school, to be in the family photos please come to the office when the whistle goes in the morning.

A huge well done to all of the children who ran at the Woodford Halse cross country event this week – you were all amazing and we were very proud of you. A special well done to Matilda who came 9th in her race and the Year 3/4 boys who came 2nd overall in their age group.

Thank you to all of the parents who supported us and especially those who were temporarily stranded with us when the return bus didn't turn up!

Mrs Barnes

The children were amazing this morning - well done to them all for an impressive performance especially considering some of them are only 4!

Next week in maths, Year 1 will be looking at mental addition and subtraction. Reception will be learning about position, direction and measurement. In English, the children will be discussing and comparing traditional stories.

From next week, children will no longer be allowed to share toys in 'show and tell'. We want to encourage them to share items or facts of interest – possibly related to the topic, somewhere they have visited or something they have seen.

Mrs Gibbins

The children will be bringing home their assembly words to practise. Please help them with these as some of the Anglo Saxon words are quite tricky.

Thank you for the cereal boxes - I think we are well stocked now.

Maths next week is problem solving and looking at division as the inverse of multiplication.

Homework is in the blue books.

Mrs Pickles and Mr Wilkinson

Next week in maths we will be moving onto data handling and graphs.
