HEAD TEACHER: MR G BEEDEN

A SUPREME ASSEMBLY!

As all the children know, I love class assemblies and this was one of the most enjoyable I have seen. Wagtail class sang and danced their way through the story of Motown records. Pictured above are the Supremes; we also were treated to music from the Marvelletes and Stevie Wonder. Miss Tooth became the coolest teacher of all time by plugging in an electric guitar and playing along!

PTA

Thank you to all of the parents who support the PTA fundraising. Your fundraising paid for the authors' visit for book fortnight amongst many other things including coach trips and laptops. The list is endless. A new event; the Holi colour run has been advertised recently and promises to be one of a kind!

TRIPS

Thank you to all the staff who plan such excellent trips for the children. Year 5 visited the Houses of Parliament this week. Personally I would have swapped our Year 5 for the politicians; they would sort Brexit a lot quicker!
