

It is with great regret that I have to share the news that a former parent and governor, Sharon Nightingale has passed away following a long battle with ill health. Sharon was a driving force behind raising the profile of the MCC across the school and as well as serving as a parent governor she was a regular volunteer at the MCC helping with swimming and visits out. I am sure that you all join me in sending our best wishes and deepest sympathies to Steve, her husband and her two sons – Daniel and Anthony (who attended MCC leaving 6 years ago).

Music Festival ~ Children from Platinum, Gold and KS1 children in Silver took part in the annual Mid-Somerset Music Festival and enjoyed meeting with children from other settings. They took part in poetry, singing and dancing all on the theme of desert islands.

World book day ~ The children enjoyed dressing up as their favourite book characters and we saw some wonderful costumes. It was lovely to hear the conversations that this brought about. Many thanks for supporting this activity.

Red nose day ~ Today the children have had a number of different activities related to red nose day. We had mufti, then all cooked cupcakes, crispy cornflake cakes and red nose day biscuits to sell at the end of the day. The favourite part of the day was probably the splat the teacher where children lined up to splat Mr Bogg with a mix of shaving foam cream pies and corn flour slime.

Art Exhibition - "Seeing it my way" We have Around 10 different organisations involved in the Art Exhibition as part of World Autism Awareness week. It is a really exciting project to be linking up with so many children's and adult services. All our children will be displaying work at the exhibition and the opening night is on the 4th April at 7:00pm

Saturday Club ~ Tomorrow will be Saturday club and during there will be the opportunity to meet other parents and families and also use the swimming pool under parent supervision. Depending on the weather the outside play area will also be available. Michael will also be there to talk with parents and share some plans for changing the reporting process for 2019-2020.

Reading App ~ Please have a look at the Nessy reading app. This can also be logged on through the internet. There is a log in button on the webpage for Nessy.

Secret word: physicaltooth

Real name: Your child's name with capital letters and a space e.g. Michael Bogg

Monkey Login: Your child's name with no capitals or spaces e.g. michaelbogg

This app is suitable for children that have begun to look at letters and sounds but will also support learning up to KS2.

Home support ~ Please remember to get in touch if you would like any support at home. We are able to provide ideas and support with social stories, behaviour support and also home visits and home rules. My office based days are Mondays, Wednesdays and Thursday mornings if you need to call. Staff are always around for a chat after school also.

Michael Bogg

Be Kind. Try hard. Do your best.

Dates to add

16th March – 10:30am – 12:00pm - Saturday Club

18th March – Parents evening (please see home books for appointment times)

20th March – Flip out trip for Finnley's birthday

22nd March – Finnley's birthday party at school

27th March – Dance Umbrella

4th – 6th April – Seeing it My Way – Art exhibition Commons building at bath Spa University

Silver Class – Have been cooking cupcakes for red nose day and been investigating animals that live on the farm and creating wonderful artwork.

Gold Class – Have been enjoying the red nose day activities and it was a lovely end to the week after working hard on reading and maths assessments. They all loved the creative arts at the music festival.

Platinum Class – Platinum Class have produced wonderful models and posters about eco cars as part of the St Martin's Garden Primary School Science fair. They displayed their work alongside the other children from the school.
