Dear Parents and carers,

The school looked a very different place today with the children all wearing red in support of Comic Relief a total of £133 was raised. Well done to everyone for your efforts!

This week has seen some wonderful learning across the school.

Fir Tree class have been learning about the seven continents of the world and the Easter story.

Forge class have been compiling a fact sheet about Black Beard the Pirate.

Hurstwood class have been writing free poems as if they were Augustus Gloop from Charlie and the Chocolate Factory.

Kemsley class have been writing a character description from one of the characters in their topic book The Great Chocoplot!

Oakwood class have had a fun filled week, with a visit from a member of a WW11 re-enactment group describing what life was like as a soldier during battle.

On Monday, they finished off their electricity board games, which other children then played. They finished the week with a trip to The Howard School for a science afternoon! Next week they are off to sleep on board the HMS Cavalier!

Forge led an excellent worship on Thursday reminding us about temptation; a welcome reminder especially during this time of lent!

The netball team went all the way to Headcorn to play two matches on Thursday. Despite the very long journey they were in very good spirits and won both matches! Very well done to all the players, particularly our last minute substitutes! Mrs Steer said you played fantastically.

Well done to the football team who played St. John's School on Tuesday at school. We did lose 6-0, but they are a very hard team—full of year 6! Our boys should all be incredibly proud of the way they played. They showed excellent team spirits, self control and perseverance. A very well done to them all!

Parent/governor elections went out on Wednesday, if you did not receive a form please ask at the office for one. This is a very important role which does give a strategic insight into the running of the school, if you believe you have the time and skills to be a member of the governing body do apply for this role!

The field is becoming increasingly muddy due to the heavy rain we have had, we do still anticipate the children being able to play on it, as they need the freedom and space to play, however it does mean they are often coming home rather muddy. If you prefer your child to stay on the playground do please let their class teacher know!

11+ meetings will be held on Tuesday 2.4.19 and Wednesday 3.4.19 in the afternoon for Year 5 children to discuss your child taking the Kent Test with Mr Eggleton and Mrs Cox. Letters will be sent out soon.

Finally don't forget to dress your child in something green if they are in St. Patrick's house on Monday.

I hope you all have a lovely weekend.

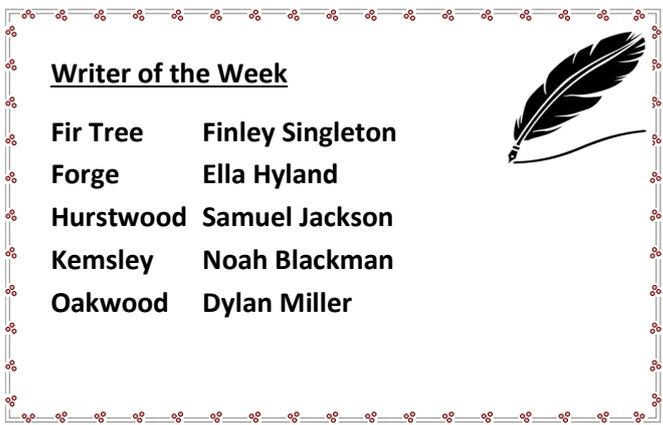

Best Wishes

Michelle Cox

Spirit of Bredhurst this Week
