

Queens Park Academy

Dear Mr Wilkinson,

We are writing to say an enormous thank you for donating some lovely books to us. There are no words to describe how grateful we are.

Year 5 are simply loving them! They will not only make a huge difference in a child's education, the beautiful books will help children to walk into a whole new, wonderful world of imagination! As the box that carried all the books was opened, the children all rushed to try and get one. We were absolutely delighted when our teacher, Mrs McWatt, showed us the complete collection of Harry Potter books!

Every single pupil, in the entire class, has their own favourite book. The HP collection is quite famous! We shared out all of the books and looked at our now expanded class library. We have our own sign in and out system and the class haven't been this excited since we were told that we could go to the Trampoline Park for our attendance treat!
