TIPTREE HEATH WINS £4500 AVIVA COMMUNITY FUND

I would like to thank Tim Weymouth and the Aston Lark Group for supporting our Kids Inspire Project at Tiptree Heath Primary School. Last week, Tim Weymouth and I were invited to attend the Aviva Community Fund Broker Finale 2019 at The Monastery in Manchester. As Broker Finalists we were delighted to be presented with a giant cheque for £4500 by Phil Bayles Aviva MD and Will Greenwood Rugby World Cup Winner and Aviva Community Fund Ambassador!

Aston Lark Group are thrilled that we got through to the Finale and believe that the Aviva Community Fund is a great initiative in supporting community projects. I would like to thank everyone at Aston Lark and within our school community who voted for our project. The Aviva Community Fund will enable Tiptree Heath to support our children in school who experience any emotional or social difficulties.

As a fund winner, the school will be provided with a trained counsellor from the Kids Inspire Charity who will work with the children each week, leading therapy sessions to improve their attitudes and behaviour both at home and school. The Aviva Fund will make a big difference in supporting our children so that they grow into happy and healthy adults and thrive within our community.

Thank you very much to Aviva and Aston Lark!

BEHAVIOUR POLICY

Following the parental feedback at our Termly Learning Conferences, I would like to remind parents of our Behaviour Policy and the use of our Learning Behaviours in school.

Our Learning Behaviours are promoted through our assemblies and PSHE lessons and are used to support and promote positive behaviour in school and on the playground.

A happy learner at Tiptree heath Primary School...

*makes good choices
learns together
stays focused
is proud
shows respect
never gives up*

Our Behaviour Policy is available to parents on our school website and clearly sets out our procedures when dealing with any incidents of inappropriate behaviour. Recent lesson observations led by Sam King and I have shown that the children are focused and engaged in lessons are using our Learning Behaviours in class.

**Have a good weekend,
Tracey Oram**
