Dear Head Teacher,

Revised Nottinghamshire County Council Fair Access Protocol

I am writing to advise you that following a period of public consultation a revised Fair Access Protocol was agreed by the Children and Young People's Committee on 11 February 2019. The number of schools expressing disagreement with proposals was 0.85% and was therefore in the minority in comparison to the total number of schools consulted. The full consultation analysis can be viewed on the Nottinghamshire County Council consultation Hub at <https://consult.nottinghamshire.gov.uk/children-and-families-services/fairaccessconsultation/>

Thank you to those who responded to the consultation; all responses received within the publicised consultation period were considered.

The revised protocol now replaces any previously agreed protocol and is publicly available on the Nottinghamshire County Council website at <https://www.nottinghamshire.gov.uk/education/school-admissions/changing-school>

Nottinghamshire County Council's Fair Access Team remain committed to working in partnership with Schools and Academies to ensure that vulnerable children have access to education.

Yours Sincerely,

A handwritten signature in black ink that reads "Sarah Whitby".
