

Five Little Ducks

The children and staff in Earth Class have had so much fun looking after the 'five little ducks' that have been here with us for the past week. It was incredible to see how much they grew on a daily basis. They have now made their way to their new home but I am sure they will remain in everyone's hearts for some time to come!

Comic Relief

Once again, thank you so much for all your support towards this worthy cause. With all your donations of buns and purchases of red noses, we have managed to raise a staggering £270 for Red Nose Day. Watch out for us in the Goole and Selby Times.

Swimming Gala

A huge well done to all the children who took part in the swimming gala in Goole on Monday. As always, the children were fabulous ambassadors for our school. We did very well in the individual races, and finished a fabulous second overall.

My thanks go to Mr. Clarkson for organising the event and Mrs. Chadwick for accompanying the children.

Scholastic Book

Mrs Reed has forgotten who ordered one of the books from the Scholastic leaflet. Please contact the office if you have not received yours.

World Book Day

We had a brilliant response to the World Book Day competition. We marked the entries harshly and in total, there were 6 entries that gained full marks. These were all put together and the winning entry was 'pulled out of a hat' in assembly. Congratulations to Connor and family who received a £10 book token. The answers are now on the website if you want to have a look.

University Passports

If your child does any sort of after school activity, such as scouts, football, after school clubs, please sign them up for a Passport. They can collect stamps for every half hour of exercise that they do and will then get to take part in a graduation held in school by the Children's University in July. There are different levels of award in graduation depending on how many stamps they have collected. Lots of clubs are allowed to sign the passport, not just our school. Passports are £5 each and can be purchased from the school office.

Menu change

Next week, there is a change to the menu on Wednesday. Roast Gammon will replace Roast Beef. This will be a permanent change to the menu from now on.

Marshes Competition

Please send your competition entries into school before March 25th.

Dates for your Diary
