

Topic

Our beautiful mosaic artwork!

Writing

The quality of the children's writing this week has been fantastic! We completed our newspaper reports about Anansi the spider and are now writing our own myths. Their ideas are fantastic and every child is working on improving their writing through language choices and clear sentences.

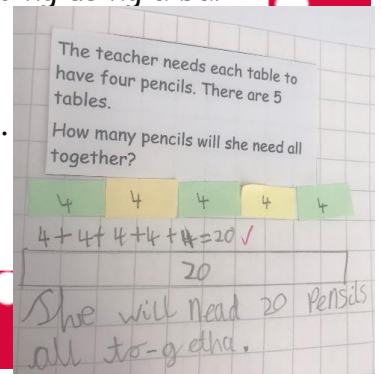

Reading

Every week, we do guided reading. Some children read with an adult, whilst others read or complete activities linked to their books. I am very impressed with how well the class are working independently.

Maths

We have been solving problems involving multiplication, including using a bar model to represent the problem.

Other Information

Please check out the school newsletter for information about the Eggcellent Easter Competition and Mad March.

Don't forget...

Please make sure you have paid for the trip to Woburn Safari Park as well as returning the letter.
