

Term 4

Week 3

Class 2 – Weekly Update

What have we been learning about?

In English, we have started writing our own stories about a Rainbow animal that has a special feature. The children created some excellent plans and are using brilliant description in their writing. Please ask them about their story.

In Maths, we have been learning how to divide using grouping and sharing. The children have tackled some challenging questions brilliantly!

In Science, we learnt how to take our pulse and how exercise changes how fast our heart beats.

How could you help us with our learning at home?

Please continue to read with your children at home. This should include hearing them read aloud to build on their expressive reading skills as well as discussing what they have read to encourage comprehension.

Please see the curriculum link letter for more ways to support your child at home.

Dates coming up/Things to remember:

Parent consultation evenings will be on 19th and 21st March.

Our trip to Bristol Zoo is Wednesday 20th March.

PE will be on a Monday and Wednesday.

Homework

Please see the sheet (if homework handed in this will be stuck in your book) for the maths homework. It is practising multiplying and dividing by 2 and 5, please help your child.

Spellings: The new spellings for each week this term are on the Class 2 webpage and have been sent home. Please practice these at home with your child and there will be a test each week in class. Some children will have other spellings sent home.

For next week: Possessive apostrophes: Megan's, Ravi's, the girl's, the child's, the man's, the woman's, the school's, a dog's, a teacher's, James'. Please help your child put these into sentences to see why we need the possessive apostrophe.

Contact:

Don't forget that we are always available should you have any questions or concerns. You can contact us through the email below. Alternatively, you can send in a note via your child to pass on.
