

# WOODNOOK PRIMARY SCHOOL

SPRING 2 2019 NEWSLETTER FOR  
PARENTS

Class Teacher: Mrs K Broderick  
Teaching Assistant: Mrs L Wilkinson

## Roles and Responsibilities

As a member of 6B, every child is expected to take responsibility for looking after their equipment, classroom and the school environment.

Please ensure all uniform, P.E. kit and coats are clearly labelled with the name and class of your child.

THANK YOU.

## 6B homework

Tuesday - Maths, English and GPS to be returned by the following Tuesday.

PLEASE ensure you read with your child as often as possible. Books will be changed twice a week on Monday and Friday.

Times Table Challenges will take place on Thursday afternoons. Please help your child learn their multiplication tables.

## PE

P.E. will take place on Monday and Thursday mornings.

Please ensure your child has a suitable kit to include:-

- Pumps
- Shorts & t-shirt
- A long sleeved top & long trousers (suitable for outdoor P.E)

School starts promptly at 8.55am and finishes at 3.30 p.m. Your child's regular and prompt attendance at school is crucial to his/her success. As soon as the children enter the classroom in the morning, children immediately start their learning. If children are not here on time, they miss out on such opportunities.

### PPA Time

I will be out of class on Monday morning and Tuesday afternoon so Mrs. Knight will be taking the class for P.E., R.E. Music, Computing and French. I am certain the children will really enjoy these exciting and creative lessons!

## Sort it Out!

This half term, we will be learning all about Classification – to describe how living things are classified into broad groups according to common observable characteristics and based on similarities and differences, including micro-organisms, plants and animals.

Give reasons for classifying plants and animals based on specific characteristics.

## We'll Meet Again

This half term, we will be looking at how World War Two started, what life was like on the Home Front and how people worked together to fight for their country.

## Reading

Children will have a reading book appropriate to their reading level. Accompanying these books are their reading diaries where you can write comments on their reading. Your child will also be given many opportunities throughout the week to read a variety of texts. For example they will read once a week during guided reading sessions with the class teacher.

## Literacy

In Literacy this half term we will be reading and analysing Discussion texts relating to

Healthy Eating and Persuasion

We will also be developing written techniques for recording answers to reading comprehension questions.

In addition, we will be practising our grammar in daily warm-ups and Sentence of the DAY.

## Numeracy

In Numeracy this term we will be looking at calculating with fractions, place value, 2D shape, through reflections, co-ordinates and translation.

Please support your child at home by encouraging them to learn and practise their times tables. There are some useful free interactive apps available, in addition to Times Table Rock Stars.

## SNACK

It is important to note your child can bring a healthy snack at break times such as fruit or vegetables.

We also encourage your child to drink water in class throughout the day, but they may bring something else to drink with their packed lunch. Please supply your child with a labeled clear water bottle and encourage them to bring it home each weekend to be washed and sterilized.

Toast is available on Tuesday and Wednesday morning at a price of 20p per slice.
