15th March

Dear Parents,

What a wet and windy week it has been - the children have coped brilliantly with the weather though and have been working very hard! Fingers crossed it stays dry for our EYFS Red Nose Day cake sale!

Don't forget..... 20p a cake (made in school this week!), outside the Foundation classrooms at 3:30pm today!

In Phonics next week we will be revisiting 'oo, ar and or' and looking at words and captions containing these digraphs. In our Clever Cat time we will be learning about and writing invitations for a special occasion! Please find enclosed a handwriting sheet to practise the formation of the first of our one-armed robot letters 'r'.

In Maths we will be introducing the children to subtraction using appropriate vocabulary (take away, minus, subtract, left, less) and recording our findings by writing number sentences using mathematical symbols - and =.

Next week we will start working on some little 'surprises' in preparation for a special day that is coming up! (Wink wink, nudge, nudge!) It would be

great if each child could bring in a photograph of their mum to help with inspiration for this. Photos will be returned.

Just a reminder that it is the whole school Open Afternoon next Friday 22nd March -drop in at any time between 2:15pm -3:15pm and the following Friday 29th March is our Mother's Day tea party at 2:30pm. We hope you can join us!

Have a happy weekend
The Foundation Stage Team
