Dear Parents/Carers

In order to help you support your child at home, we are going to be launching a Phonics Library.

This will give you a selection of activities to help you support your child at home and be involved in their learning journey. The activities are fun and interactive!

The Phonics Library will be open on a weekly basis for one group at a time. This will be on a Wednesday afternoon at 2:30pm. Please see below for details of weekly sessions.

During this time, there will also be the opportunity to share a book or a phonics game in the classroom with your child.

We look forward to you joining us for the sessions.
