Christian Character Survey

Dear Parents,

Thank you to all who completed the survey on the Distinctive Character of Waberthwaite Church of England Primary School.

During January 2018 Waberthwaite Church of England School (C of E) was subjected to review as part of the routine Church of England 'Statutory Inspection of Anglican and Methodist Schools' (SIAMS) inspection.

The Inspector identified through the report that the School was considered to be 'Good'. One of the areas identified that the School should focus on was:

- Involve the whole school family in the regular cycle of self-evaluation so that all views can influence and support the development of the school's Christian character.

During late 2018 the Governing Body commissioned a Christian Character survey to baseline our position to start the journey. In the spirit of transparency, I have provided a summary on the collective output from the survey for your review.

I am delighted that all responses recognise that this is a Church of England School, the majority of you agree that it is a caring institution based on clear Christian Values and that we can now build on what we've learnt and focus on the three core Christian values that you have told us are most important to you - Friendship, Trust & Kindness.

The results have been discussed within the Full Governing Body, the staff and our Diocesan adviser.

If having read the summary results and analysis you would like to meet with me to discuss them then please do get in touch directly.

Best regards

Catherine Winzor
