## Well done

Well done to our Hi 5 Netball Team who took part in the local Netball competition. They all worked fantastically as a team and won many of their matches. They came 3rd overall. Well done.

## Parent Consultation

Next week the Parent Consultation appointment process will begin for our next set of consultations on the 8th and 9th April. We are changing the format of these. They will now be 15 minute appointments to allow time for you and your child's teacher to set targets together to support the learning of your child.

To enable this to happen there will also be afternoon appointments. Reception, Year 1 and Year 2 afternoon appointments will take place on Monday 8th April and Years' 3, 4, 5 and 6 afternoon appointments will take place on Tuesday 9th April.

For all appointments please come to the School Hall.

## School Uniform

As you will be aware we are trying to raise standards in all areas of school life. We have noticed that some of the uniform standards are not as high as usual. Please would you make sure your children come to school in the correct uniform and wear black school shoes, not trainers. Please can you also make sure that your child brings their PE Kit on a Monday which should consist of black shorts and a white top and this is left at school on a Monday and taken home on a Friday to wash. Please do not send football shirts for PE lessons.

Thank you for your support with this.

## Safeguarding

If there are changes to collection of your child please ring the school or speak to the office team. We ask that you do not e-mail the class teacher as we cannot guarantee these will be picked up during a busy school day. Thank you.
