

Primary PE and Sport Premium Strategy

Cavendish Junior School 2018-19

Our vision is for **ALL** pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport

P.E/SLT Lead: C Varns

P.E Governor: N Piper

The funding has been provided to ensure impact against the following **OBJECTIVE:**

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (*above*) that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that schools will see an improvement against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Under the [Ofsted Schools Inspection Framework 2015](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this. Schools are required to [publish details](#) of how they spend this funding and the effect it has had on pupils' PE and sport participation and attainment.

Revised September 2016

Schools must include the following:

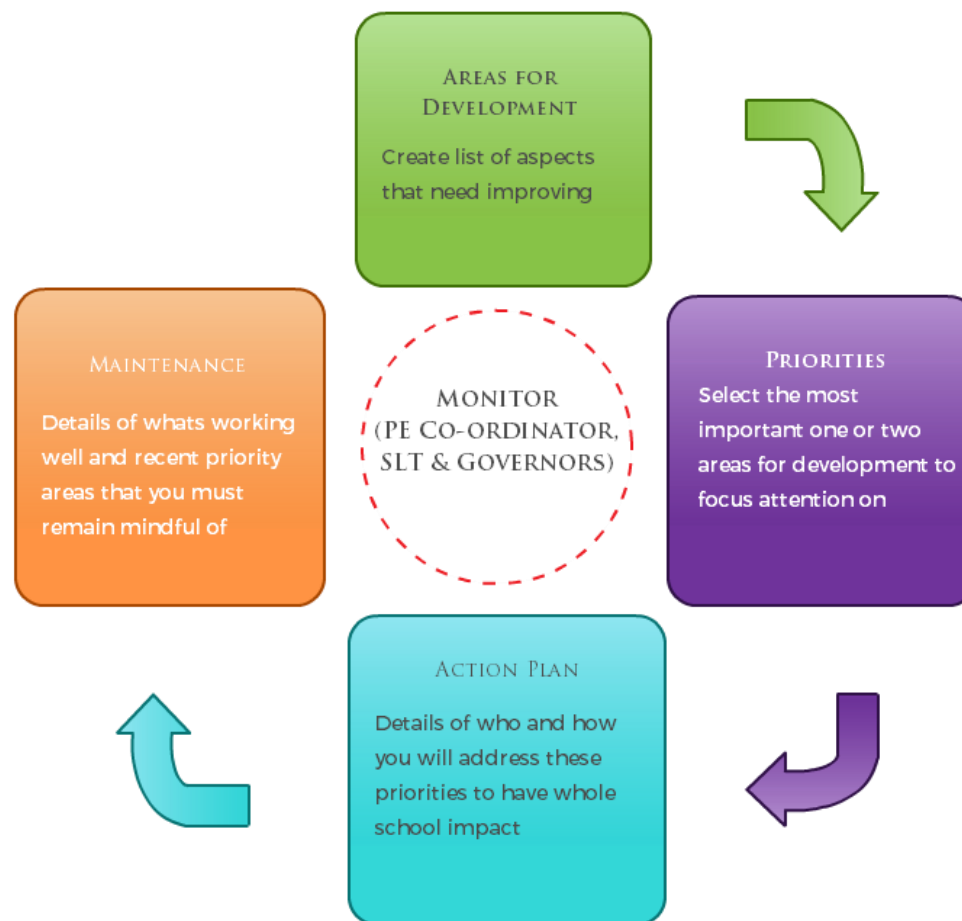

- how much PE and sport premium funding you received for this academic year
- a full breakdown of how you've spent or will spend the funding this year
- the effect of the premium on pupils' PE and sport participation and attainment
- how you will make sure these improvements are sustainable

The published information should be clear and easily accessible and we recommend that you upload the following template (Annex 1) to your website for this purpose.

Improvements should enhance, rather than maintain existing provision. For example, where schools are using their funding to employ specialist coaches, these should be deployed alongside class teachers rather than displacing them, in order for their impact to be sustainable and to enable the upskilling of existing teachers.

Primary PE and Sport premium planning and actions should show how use of funding contributes to this vision through identified school priorities which can be measured through reference to key outcome indicators. It is important that the main drivers for improvement are those identified by the school through their self review. Each school should aim to achieve the following objective:

OBJECTIVE: To achieve self-sustaining improvement in the quality of PE and sport in primary schools. Please see Figure 1 (above): A process model to support your thinking.

P.E and Sports Premium Funding 2018-19

Total Funding: £17,020

Our vision is for all pupils to leave primary school physically literate, and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

P.E/SLT Lead – C. Varns

P.E Governor – N. Piper

Sports Competition Leader – D. Deakin
