20<sup>th</sup> March 2019

Dear Parents/Carers

On Friday 29<sup>th</sup> March, the Summer phase are taking part in the Big Spring Clean which is being organised by Keep Britain Tidy. Children will be litter picking around various areas of the village, church and also the school. They will be given clear guidelines about health and safety before we participate.

Please can you send them to school in old clothes which you are happy for them to possibly get a bit mucky!

Part of the campaign this year is encouraging children to identify the different types of litter and use it in data handling numeracy lessons, so as well as getting some fresh air and helping in the community, we will also be improving our maths skills.

If you would like to come and help with your child's class, please let their class teacher know and they can provide you with more details about the event times.

Best Wishes

The Summer Phase Team
