

20 March 2019

Dear Parents and Carers

St Martin's Garden Primary School wishes to inform parents that after over three years as Headteacher, Mr Matt Stone will be leaving to begin new challenges and opportunities, with effect from 31 March this year.

The school wishes to thank him very much for his contributions during this time, which have moved the school forwards, particularly in the most important area of teaching and learning, resulting in a positive impact on school performance.

Mr Stone is moving on for next stages in his career development. He leaves with our gratitude and we wish him every success with the next stages of his career.

The school and Trust will soon be putting in place leadership capacity to take St Martin's Garden forwards to the next stage of its growth and development. Miss Julie Jones will continue as Acting Headteacher for the interim period.

Yours Faithfully,

Tim Withers
Chief Executive Officer
Palladian Academy Trust
School

Julia Garratt
Chair of Governors
St Martin's Garden Primary
