#### **Before and After School club update**

We are pleased to advise that the club is now up and running before school from 7.30 am for those who would like to book a place.

Please let us know if you need after school care which you can book at the school office.

#### **Healthy Snacks reminder**

We would like to remind everyone that chocolate and sugary snacks should not be brought into school for break time snacks.

Can you also please ensure that water bottles are filled with water only and not squash or juice. Thank you

#### **Village Hall extension.**

We have been advised that work will be starting at the Village Hall in mid April to build an outside store room extension. The exact start date is not yet known.

This will involve replacing the shed adjacent to the building with a brick store room.

The work will impact the availability of parking spaces in that area of the car park during this time and there will, of course, be additional builders vehicles parking on the car park too. Hopefully by the time we return to school after Easter there won't be too much disruption.
