Faith Roadshow

Year 4 went to Kettering Conference Centre to experience a Faith Roadshow last Thursday. The children were split into groups with children from other PDET schools and moved around different stalls meeting people from a wide range of different faith groups. The stalls were very interesting and included opportunities to taste Indian food, dress up in traditional dress and handle different artefacts from world religions. A year 4 boy said: 'This is really cool, I've never been to anything like this before!'

World Book Day

We had a fantastic World Book Day making up our own number stories using the book 'The Great Divide' as our inspiration. In the morning we had a special assembly led by Mrs Sandells and Miss O'Connor, who showed us lots of books including 'Kipper's Toybox' and 'The Very Hungry Caterpillar' amongst many others. After lots of very good guesses about what linked them together, we finally realised they were all about numbers.

We then went back to our classes and came up with ideas for our own number stories. Wagtails used story dice to help them come up with ideas, Robins based their stories on their polar topic, and Kestrels used their knowledge of fractions to write stories about all sorts of subjects – grannies, flying footballs, sloths and hamsters, to name but a few! It was really interesting to see how we can combine Maths and English together and we had some great results.

The Big Sing

At the time of writing, Kestrels class are very excited about performing at the Dergate theatre on Thursday evening in 'The Big Sing' to celebrate NMPAT's 50th birthday. Look out for more news next week about how it went!

Clubs Reminders

Please note that 'Box 2B Fit' ends at 4pm, not 4.15pm, and that from now on drama club is running until 4.45pm.

Unfortunately, we have had to cancel netball club for the past 2 weeks due to bad weather – if your child is at a club please can we ask that you keep an eye on your text messages in case of a change in circumstances. We try to give as much notice as we can wherever possible, but sometimes we do have to make a last-minute decision, such as on Wednesday when the netball posts were literally blowing down! Thank you.

Reading idea of the week:

See if you can find other books that have numbers in them, like 'The Great Divide.'
