Mrs Truslove writes:

Today was the last of our fabulous class assemblies and I just wanted to say a huge well done to all of the children for their fantastic performances over the last few weeks. Every child in school gave of their best, often having to fill in for absent friends at the last minute, and every child was outstanding. The feedback that we receive from the schools that our pupils move on to is always how confident and capable they are, and these assemblies are all part of building that confidence. Well done everyone I am very proud of you all.

Lunches - two weeks ago I was asked to go into the hall after lunch to look at the mess and waste food bin. The floor was covered in food and the large waste bin was overflowing with leftover food. It is upsetting to see so much food thrown away when only last week we saw images of people in this country and abroad without enough to eat.

The lunch staff reported that some children were not even trying the food before scraping whole meals into the bin. As a result children have been told that they are expected to eat all of their lunch – whether it is a Kingswood lunch or a packed lunch. Therefore, can you please check with your children that they like what is being ordered e.g. if the menu says pizza and beans they will be served both pizza and beans. Obviously there will always be options, and common sense will prevail. Additionally, there are always alternatives so please check with them before ordering. If you don't want them to eat crusts on their sandwiches please cut them off at home.

Since we have told the children this I am pleased to report that we are only throwing away a very small amount of food. Thank you for your support in this.

Mrs Barnes

In maths, Year 1 will be learning place value and money. Reception will be learning about partitioning numbers. They will begin to learn their bonds to 5, 6, 7, 8 and 10. In English the children will write a character description.

The children will have a letter about a trip to the playing fields on the 4th April. Any queries please come in and ask.

Mrs Gibbins

Well done to all of the children today on our open assembly. They have worked hard to learn all of the songs and the words in a week.

Next week in maths year 2 will be looking at money and year 3 will be looking at multiplication and the grid method.

Mrs Pickles and Mr Wilkinson

Drumming Concert, Wednesday 3rd April, 3pm:

Year 4 and 5 children will be showcasing what they have been learning at their drumming workshops and parents are invited to come along and watch.
