

Aspirations for All

The fortnightly newsletter for Summerfield School—Issue 11

Dear Parents/Carers,

The Spring term is moving forward quickly and the Easter break is almost upon us.

This week, Year 6 have been having a Mock SATS week. They have applied themselves well and have really tried hard to show everything they know. We are all very proud of their efforts and are confident that they feel well prepared to do their best when the test week happens in May. As a school, we will be providing the children with a 'Brainy Breakfast' each day — more news on that shortly!

I would like to say thank you for your thoughts and support following the vandalism on the school grounds two weeks ago. We have managed to replace the tree and the plaque was recovered. We will make sure this has been put back in place shortly.

On April 1st, we will be welcoming a new member to the office team, Samantha Syed. She will work with us on a part time basis to help with the website, this newsletter, other correspondence and marketing. Please say hello if you see her in the office.

Finally, myself and the Leadership Team spent a day last week discussing our vision, values and Curriculum offer. We will be working with staff and governors over the Summer term to relaunch and refresh these very important pillars of school life. This will then be shared with you all and will be published on the website in detail.

Thank you for your continued support,

Ian Fraser
Headteacher

Dates for this term:

4 th April	Year 2 World War II Day
5 th April	Last Day of Spring Term
8 th - 22 nd April	Easter Half Term
22 nd April	INSET DAY—School is Closed

Well Done Everyone...

Our cake, uniform and Book Sale

Raised an impressive £162.95!

15th March— Red Nose Day

We raised over £225.00!

Thank you for enabling us to raise money. It is very much appreciated.

EYFS

Early Years have been enjoying learning about transport this half term and have been particularly excited by our book, the Naughty Bus. The children have produced some brilliant story maps, writing and artwork as part of our topic. I'm sure they would love you to ask them to recite the story along with the actions at home - they know it so well!

KS1

Year 1 have been reading about and learning through a topic based on Goldilocks and the Three Bears. They have been creating artwork and talking about the story. Everyone has thoroughly enjoyed this work and our class rooms are now decorated with their artistic outcomes.

KS2

Year 4 have been going swimming every Wednesday afternoon. They have been taught a selection of strokes and they have been assessed to see the progress they have made. Some of the children can now swim 25m unaided!

Congratulations to

HB4 & HB10 100% w/ending 4th March

HB9 100% w/ending 11th March
