We have a significant epidemic of Head Lice within the school at the moment.

A number of parents have quite rightly contacted the school and voiced their concern.

Could I ask all parents/carers to check your child's hair now, and on a regular basis, for signs of eggs & lice. If head lice are found, please ensure to treat them correctly and regularly until they are clear. We suggest the use of a silicone-based treatment, formally known as 'Hedrin'. This has been proven to be the most effective in killing the headlice, and preventing from reoccurrence.

Year 1 Phonics

Year 1 are planning a Phonics Workshop for Monday 1st April at 9am, followed by information for the Phonics Check. On the same date at 4pm, there will be another meeting for those that cannot attend in the morning.

It has come to our attention in school that lots of children are playing on a game called 'Fortnite'. It is important that Parents are knowledgeable of the content in this game, and are aware that it is rated at 'Age 12'. Children are also talking to other people via headsets-please ensure that you know who it is your child is communicating with.

There is growing concern about children lacking energy and enthusiasm in school due to tiredness, which may be caused by playing computer/console games until late in the evenings. We kindly ask that you ensure children are turning these games off at a suitable time allowing them to rest properly and complete homework, reading etc.

Thank you for your support.

Good To Be Green Behaviour Award

This week's Good to be Green Behaviour Award was awarded to Thomas.

Class of the Week – Year 5

Well done Y5 for representing Hempstalls on your trip to the Regent Theatre. You were excellently behaved and were great role models.
