Scope of the Job

Customer Care

You will need to be committed and responsible for ensuring the delivery of services and the safety of people being supported; giving consideration to the assessed risks, rights and choices of the individual (this being done under the advice and guidance of the line Manager). You will be assigned as a key worker to residents.

Service Delivery

You will be responsible for working as a member of the Older Persons Team, in all aspects of delivering support to residents. If required to do so, work in any area within Manx Care Service. You will need to have a commitment to attaining a minimum of RQF Level 2 and all necessary mandatory training required of the post to ensure the necessary skills and knowledge to support residents as required.

Administration

You will be responsible for record keeping, completing and reviewing electronic records, carrying out assessments of individuals, supporting residents in handling finances, and robust medication administration record keeping.

Quality Assurance

To ensure we deliver a quality service, you will need to be caring and committed to ensure high standards of support are delivered at all times; effectively communicating with colleagues, families, carers and other organisations.

Principle Duties

You will:

- Demonstrate customer focus every day by treating residents as top priority.
- Contribute, implement and participate in, where appropriate, person centred programmes of support in accordance with the assessed needs identified in the Individual Support Plans.
- Enable Residents to maintain their independence and individuality by doing with rather than doing for as far as practically possible, and provide general support as part of a support team.
- Report to the relevant line Manager, any significant changes in the health and wellbeing circumstances of the Resident.
- Ensure that the wellbeing and personal care needs of individual residents, as identified in support plans/care plans; are met in an appropriate, respectful and discreet manner; whilst promoting the principles of enabling residents to attain a valued social role and presence in their own home/community and encourage Residents towards a degree of independence and activity appropriate to their abilities. Such tasks could include, but are not limited to, personal hygiene, cleaning continence aids, helping with continence, food preparation, light housework etc.
- Provide support to Residents with varying complexity of needs, whilst encouraging them towards a degree of independence and activity appropriate to their abilities.
- Provide assistance with other daily living tasks, which may include some cleaning, shopping, collection of pensions and paying bills.
- Communicate professionally ensuring appropriate resident records, both paper and electronic, are recorded in compliance with Manx Care policy and relevant legislation.
- Work alongside other professionals, promoting independent living skills to enhance Resident's communication and quality of life, ensuring that they can achieve the maximum level of independence.
- Promote and work in partnership with the residents and their families, to ensure families are kept informed of any changes.
- Work alongside the relevant line Manager to develop and maintain a needs-led Service that is monitored and evaluated.
- Support residents in making informed choices, appreciating the context and consequences of their decisions; whilst promoting a positive attitude towards residents, protecting them from exploitation and abuse.
- Ensure medication is stored and administered in accordance with the Medication Policy. Assist in other aspects of medication management as required for individual Residents, such as, but not limited to, arranging and delivery of repeat prescriptions. We don't do this.
- Support and participate with residents in meal planning and preparation and dietary requirements.
- Be able to respond appropriately in an emergency situation.
- Carry out basic generic risk assessment and be aware of the value of positive risk taking.
- Attend and contribute to review meetings as part of a residents' support plan.

Administration

You will:

- Ensure that appropriate records are maintained and stored in accordance with the requirements of the Data Protection Act.
- Work flexibly, with the line Manager following staffing rotas based around the needs of the people within Services.

- Be responsible for submitting accurate timesheets, expenses and necessary paperwork each week or month.

Personal Responsibility

You will:

- Participate in the induction and training as appropriate and monitor own training needs alongside the line Manager.
- Attend and engage in formal supervision sessions and annual appraisals with the appropriate line Manager in line with the current Supervision Policy
- Accept allocation of tasks and responsibilities as delegated by the designated Manager or Supervisor.
- Attend and participate in compulsory regular team meetings. To use the team meetings effectively to review and plan workload and residents' needs-led activities, whilst using integrity to ensure an open and honest environment.
- Follow any reasonable instruction given by the designated Service Lead, Manager or Supervisor.
- Take a positive approach to team working and be responsible for managing conflict effectively.
- Demonstrate good ethics, by speaking up if standards are not being met, or health and safety is being compromised, and reporting adult protection alerts in a timely manner.
- Dress and conduct should be of a standard which promotes resident and public confidence in the ability of the individual and the service as a whole.

Personal Development

You will:

- Need to be committed and take responsibility for own Personal Development Plan which should reflect the core values and objectives of the Service. Attend bi-annually Personal Development review meetings with the line Manager with the understanding that any underperformance will be reported as required via the line management structure.
- Undertake any in-Service or appropriate training deemed necessary in order to become up to date with all mandatory training to ensure the skills and knowledge required is attained.
- Be open, learn from others and apply that learning.
- Be self-aware and understand what motivates oneself and share this with the line manager, be aware of actions and behaviour can impact on others.
