

Who We Are

For fifteen years, the Independence Blue Cross (IBX) Foundation has been leading initiatives for a healthier community. By the end of 2026, the IBX Foundation will have distributed more than \$100 million in grants to nonprofits throughout Southeastern Pennsylvania to positively impact health.

Areas of Focus

- Improving healthcare access
- Strengthening the health workforce
- Enabling solutions for better community health

Healthcare Access

We're supporting health centers that deliver affordable primary care and essential healthcare services and expanding mental health resources in our community through:

- Blue Safety Net Health Center Grant Program
- Behavioral Health and Crisis Center support
- Philadelphia School-Based Mental Health Initiative

Health Workforce

We're growing the number of nurses to meet future demand through scholarships, pathway programs, and professional development alongside higher education:

- Nurses for Tomorrow® Scholarship Program
- Healthcare Scholars Pathway Program
- Service Scholars® Pathway Program
- Nursing Internship Program

Community Health

We're catalyzing strategic community health initiatives through the work of the Community Health Institute (Institute). The Institute is funding innovative medical education and care models that are improving health outcomes:

- Transforming medical education
- Advancing community care innovation
